

SINCE 1969, YOU'VE TRUSTED TIMBER PRODUCTS FOR OUR COMPREHENSIVE, UP-TO-DATE LUMBER SERVICES. We are the only agency holding approvals to provide services for all currently approved softwood and hardwood species under all sets of ALSC approved grade rules. This high level of capability, plus top-notch human and technical assets in the wood preservation field, combine to give TP a knowledge and service base that is second to none.

OUR NATIONAL SERVICES

- Gradestamping supervisory services for visually graded, machine-stress rated, machine evaluated, finger-jointed and laminated lumber.
- Complete mill surveys, kiln surveys and technical assistance in planer operations.
- Comprehensive electronic monthly reports, including inspection reports, grader evaluation reports, defect survey reports, trim survey reports and full mill audit reports.
- Grademarking and/or certification of lumber by our staff at any location.
- Samples of lumber shipments for domestic sales/export at the point of production or other locations.

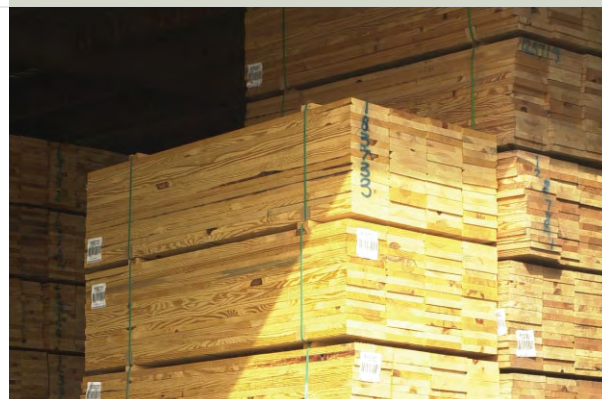

- Inspection of lumber in structure, including residential, commercial and industrial.
- Heat treatment/kiln drying certification programs under the USDA's APHIS program.
- Intense technical training for continuous grader education via Timber Products Training Systems at our office or onsite at your mill.
- Quality control orientation designed for personnel other than graders.
- Reinspection or arbitration of disputes.
- Inspection and consultation in cases involving litigation.

WHO DO WE HELP?

TP is honored to serve more than 2,000 producers of quality wood products nationwide, including individually owned and operated sawmills, large corporate sawmills, various specialty mills, and remanufacturing facilities. Our cross-trained field staff combined with our state-of-the-art physical and chemical labs equal a comprehensive company ready to meet your every need.

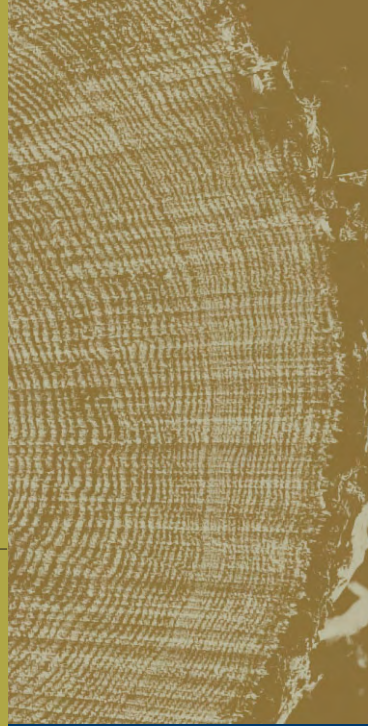

DO YOU NEED TIMBER PRODUCTS? In addition to our wood industry services, we offer skilled expertise to architects, engineers, building code officials, contractors, individuals, lawyers, exporters, public/private utilities and government entities. Experience the Timber Products difference for yourself. GIVE US A CALL.

TIMBER PRODUCTS INSPECTION IS: the largest wood inspection agency in the nation; one of the largest agencies in the American Lumber Standard Committee (ALSC) Untreated Program; the largest agency in the ALSC Treated Program; the largest agency in the ALSC Wood Packing Material (WPM) Program; and the only ALSC-approved grading agency that has representation in all regions of the United States. OUR EMPLOYEES STAND READY TO SERVE YOU.
