

TIMBER PRODUCTS INSPECTION IS AN INDEPENDENT INSPECTION, TESTING AND CONSULTING COMPANY WITH EXPERTISE IN ALL AREAS OF THE WOOD PRODUCTS INDUSTRY. Since 1969, our goal has been clear: we strive to provide high quality inspection services to all of our customers while maintaining the integrity and assurance long associated with our name. Our drive and determination have kept us on the leading edge of the industry, while our ambitious creativity, energy and entrepreneurial spirit allow us the flexibility to react and respond to every need of our clients. QUALITY CUSTOMER SERVICE EQUALS TIMBER PRODUCTS INSPECTION.

WE KNOW WOOD, AND WE KNOW IT BETTER THAN ANYONE ELSE.

Timber Products Inspection is a multi-disciplined, mature, broad-based organization. In this ever-changing industry, we never stop learning. Whether it's sawmilling, drying, component fabrication, treating or gluing, we know wood, and we know it better than anyone else.

TP support services are world-class. We have specialized physical and chemical laboratories that provide the latest information to our field staff. Active industry involvement keeps TP employees up-to-date on the development, technology, formation and implementation of standards. Memberships in industry associations and committees keep us in tune with the progress and promotion of the wood products industry.

THE DIFFERENCE IS OUR SERVICE.

What began as a two-man operation in 1969 has grown to become the largest independent wood products inspection and testing agency in the USA. Throughout our growth, we've kept our eye on the ball: our customers mean everything to us, and we treat each and every one of them with integrity and respect. Our singular client focus has earned us loyalty, respect and dedication from our customers, and we work every day to earn this trust.

DO YOU NEED TIMBER PRODUCTS INSPECTION? In addition to our wood industry services, we offer skilled expertise to architects, engineers, building code officials, contractors, individuals, lawyers, exporters, public/private utilities and government entities. Experience the Timber Products difference for yourself. GIVE US A CALL.

TIMBER PRODUCTS INSPECTION IS: the largest wood inspection agency in the nation; the third largest agency in the American Lumber Standard Committee (ALSC) Untreated Program; the largest agency in the ALSC Treated Program; the largest agency in the ALSC Wood Packing Material (WPM) Program; and the only ALSC approved grading agency that has representation in all regions of the United States. OUR EMPLOYEES STAND READY TO SERVE YOU.
