

TIMBER PRODUCTS TRAINING SYSTEMS WAS DEVELOPED TO ANSWER THE NEED FOR COMPREHENSIVE AND EFFICIENT TRAINING PROGRAMS COVERING A WIDE SCOPE OF TOPICS.

We offer informative training away from the traditional work place, allowing the attendee to learn in a focused environment. Our technical training is offered in a classroom setting, with lab activities designed to demonstrate the concepts discussed in class.

IF YOU NEED TRAINING, TURN TO THE EXPERTS. TURN TO TIMBER PRODUCTS.

TPTS ANSWERS YOUR TRAINING NEEDS.

For years, industry companies have turned to TPTS as a partner in education. Classes are taught by hand-picked industry veterans representing the highest levels of knowledge and experience.

We're continually growing, introducing new classes geared to all levels of industry professionals.

How can we help you? A knowledgeable employee equals fewer problems and less production or workplace disruption. Our focus on customer service and dedication to industry knowledge is unwavering.

Let us work with you to create well-informed, productive, up-to-date employees. If you have a specific training need for your employees, give us a call. We'll create a custom class just for you and work with your employees on-site.
