Application for Japanese Agricultural Standard (JAS) Lumber

TP OFFICE USE ONLY! REVIEW of APPLICATION	YES/NO	COMMENT (If no, give reasons)
Is the information in the application form sufficient for the conduct of the certification process (e.g. filled in completely, signature present and signed by the company requesting services)?		
Are the means available by TP to perform all evaluation activities (e.g. competence and capability to perform the certification activity, product within scope, location, language)?		
Conclusion: Can an offer be made to the Company? If one or more answered with NO, offer is not possible.		
Assessed by:	Date:
